

Geriatric Psychiatrist

*Geriatric Psychiatry
Community Services of
Ottawa (GPCSO) is a
specialized dynamic
interdisciplinary mental
health team consisting of
psychiatrists, registered
nurses, social workers, and
occupational therapists who
serve the geriatric
community of Ottawa.*

As a member of our team, you will provide outpatient consultations, some outreach consultations to patients living in residential facilities, and occasional home consultations for patients with reduced mobility who are unable to attend an outpatient visit. You will also have a supervisory role as a team member. Teaching opportunities include presentations at rounds within the clinic and to the community as well as supervision of psychiatric and medical residents and medical students. Affiliation with the Department of Psychiatry of the University of Ottawa is encouraged.

The clinic is centrally located in the Byward Market at Bruyère Continuing Care which focuses on the care of the elderly. You will be expected to provide consultations to the Geriatric Day Hospital, Bruyère Memory Program, Family Medicine Centre, Geriatric Rehabilitation Unit and Palliative Care Service. There are no on-call duties.

Ottawa proper and surrounding regions have a population of approximately one million people and is situated on the Ontario side of the Ottawa River with Gatineau and the Gatineau Park on the Quebec side. This area is renowned for its natural beauty and wide variety of outdoor recreational activities available throughout the year. As the nation's capital, Ottawa offers many cultural experiences including the National Arts Centre, National Gallery, Canadian Museum of History, two universities, fine dining, and a number of outdoor festivals.

Candidates must have licensure with the College of Physicians and Surgeons of Ontario, have a Royal College of Physicians and Surgeons of Canada fellowship in Psychiatry, and an interest in geriatric psychiatry. Financial incentives include sessional funding for non-billable time and minimal overhead expenses.

To join our innovative service and expand your career horizons, please forward your resume along with a cover letter and the names of three references to:

Dr. Linda Gobessi
Medical Director
