

CAGP GERIATRIC PSYCHIATRY SUB-SPECIALTY RESIDENT AWARD

The Canadian Academy of Geriatric Psychiatry is offering four awards of \$1250, to residents accepted into a Canadian Geriatric Psychiatry sub-specialty program to support the development and completion of a scholarly project during their training.

Award

The purpose of this award is to support the development and completion of the advanced level academic project described in the [Specialty Training Requirements for Geriatric Psychiatry](#) (STR) of the Royal College of Physicians and Surgeons of Canada. This academic project may be in the area of research, education, service development and/or advocacy as it pertains to Geriatric Psychiatry and related CanMEDs roles.

This award helps to offset the costs of attending the CAGP's Annual Scientific Meeting (ASM). The successful applicant is *encouraged* to attend the 2018 ASM where their name will be announced, but is *expected* to attend in 2019 when they will present on their findings. The recipient will formally receive their award at the 2018 meeting to be held in Halifax, Nova Scotia, October 12-13, 2018 and are expected to give a short presentation on their project at the 2019 meeting.

The monetary award will be given out in one installment in 2018.

Applicant Requirements

Applicants must be in either PGY4, PGY5 or PGY6, and be accepted or currently enrolled in an accredited Canadian Geriatric Psychiatry sub-specialty program. The successful applicants will be undertaking their geriatric psychiatry sub-specialty training at the time the award is presented, which will be at the 2018 CAGP-CCSMH Annual Scientific Meeting in Halifax, Nova Scotia (October 12-13, 2018).

The applicant will be expected to present their project at the CAGP Annual Scientific Meeting in 2019.

Applicants must be current CAGP Members-In-Training. Membership is FREE to all residents currently enrolled in a geriatric psychiatry sub-specialty program. Click [here](#) for details on membership.

Application

The application should include:

- a. A description of the proposed academic project.
- b. Other sources of financial support.
- c. A letter indicating their reasons for pursuing subspecialty training in Geriatric Psychiatry.

- d. Letters of support from supervising faculty (who is a CAGP member) indicating recommendation and commitment to facilitate the proposed project.
